

Sanderson Farms®

1947

D.R. Sanderson and his two young sons, Dewey and Joe Frank, Sr., start a farm supply business in Laurel, Mississippi, selling feed, seed, and fertilizer. Sanderson Bros. Feed-and-Seed is born.

1951

Joe Frank, Sr. completes training at a hatchery in Meridian, Mississippi. He introduces his father and brother to the chicken business and they begin selling baby chicks, in addition to feed and seed.

1955

The Sanderson Family closes the Feed-and-Seed and switches to the chicken business. The first feed mill and hatchery are built, and the new business takes the name of Sanderson Brothers Farms.

1961

Sanderson Brothers Farms merges with Miss Goldy, Inc. Processing Plant in Hazlehurst, Mississippi, forming a company with poultry production and processing capabilities. The new company is called Sanderson Farms.

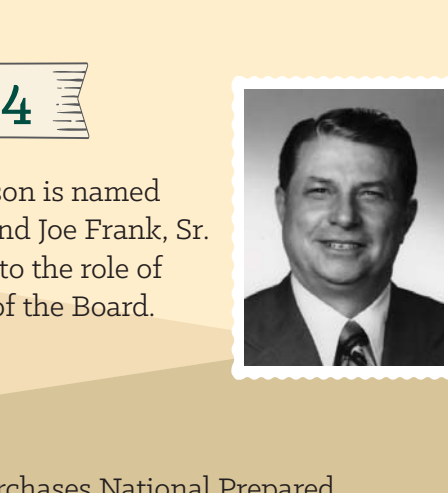

1964

The City of Laurel passes a bond issue enabling Sanderson Farms to build a \$3 million poultry complex within the city.

1965

Doors open at the Laurel facility.

1969

Joe Frank Sanderson, Jr. goes into business with his father.

1974

Sanderson Farms purchases an existing processing plant in Hammond, Louisiana.

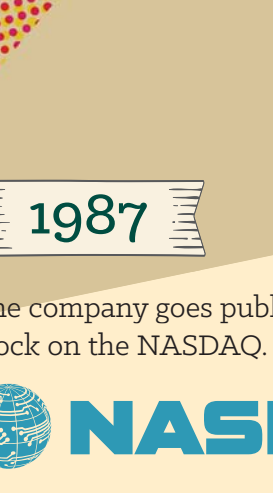

1978

The company builds a new feed mill and hatchery in Hazlehurst, Mississippi to supply feed and chicks for the Hazlehurst and Hammond processing plants.

1979

Joe F. Sanderson, Sr. serves as Board President of the Jones County Givers Fund, an organization now known as the United Way of the Pine Belt Region. A partnership between Sanderson Farms and the United Way begins.

1981

Sanderson Farms acquires a processing facility in Collins, Mississippi.

1982

Joe Frank Sanderson, Sr. succeeds his father, D.R. Sanderson, as president of the company.

1984

Odell Johnson is named president and Joe Frank, Sr. transitions to the role of Chairman of the Board.

1986

The company reaches **\$150 million** in sales.

Sanderson Farms purchases National Prepared Foods in Jackson, Mississippi. The company can now operate within additional segments of the poultry market and offer more products.

1987

The company goes public and trades its stock on the NASDAQ.

1989

Odell Johnson retires as president and is succeeded by Joe Frank Sanderson, Jr.

1991 - 1994

Sanderson Farms invests almost \$125 million in expanding existing operations in Laurel, Collins, Hazlehurst, and Jackson, Mississippi, and Hammond, Louisiana.

1992

The company announces the addition of a \$40 million retail poultry complex in McComb, Mississippi. Annual revenue climbs to \$210 million, with profits averaging \$16 million per year. Workforce is at 2,500 people.

1995

Sanderson Farms employs more than 4,000 people. It operates five processing plants, four hatcheries, three feed mills and one byproducts plant. The company contracts with more than 600 growers and breeders.

1997

Sanderson Farms expands outside of the 135-mile radius it originally operated within, opening a new retail poultry complex in College Station, Texas. This Texas complex includes a processing plant, hatchery and feed mill, and marks Sanderson Farms' first time operating outside of Mississippi and Louisiana.

1998

Joe Sanderson, Jr. is named Chairman of the Board.

2004

Lampkin Butts is named President and Chief Operating Officer of the company.

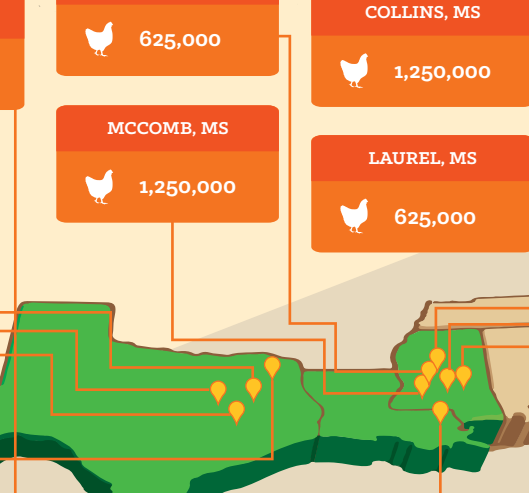

2005

Sanderson Farms expands into Georgia, opening a poultry complex in Moultrie.

2006

The company builds a new Corporate Office at the Laurel headquarters.

2007

Operations begin at a big bird deboning complex in the city of Waco, Texas.

2011

Sanderson Farms enters North Carolina with a hatchery, feed mill and processing plant in Kinston.

2013

Sanderson Farms agrees to title sponsor its home state's PGA TOUR® tournament. Since 2013, the Sanderson Farms Championship has given \$5 million in donations to charities across the state of Mississippi.

2015

A fully operating complex is built in Palestine, Texas. The \$140 million facility includes a big bird deboning plant, wastewater treatment, hatchery, and feed mill. Plans are announced for another \$140 million bird deboning facility in St. Pauls, North Carolina.

2016

Since 1999, when computer records began recording charitable contributions, Sanderson Farms and employees have donated over \$8.1 million to local United Way organizations across the South.
